SUZIE

butt plugger

Suide is a happy gal. Not only did she celebrate a birthday recently, but her birthday wish came true—she got this pretty pink dildo she's always wanted! It's the perfect gift for any girl, and Suide will make good use of it. She'll suck it, ram it up her tight heat, and share it with her girlfriends when they come over for a visit. But she's most excited about using her new toy as a butt plug. She's never had anything, not even a finger, go in there because she's so tight. But with lots of practice and lube, she'll be able to shove anything up there. That's it, sweetie, shove it in there real deep. It feels better the more you do it. We're anal experts here at CHERI. Suide, when you're ready to take the real thing up you ass, just give us a call. We're your Turny Teachers! ■

LET'S PLAY TWISTER

Dear CHERI,

I have to wear a suit and tie for my job. But the women I meet in upscale social circles just don't do it for me. What really turns me on are more down-and-dirty, earthy kind of broads. Women who look any of this hang-ups that make so many more "refined" girls a goddamn drag in bed. Blue-color women? How about no color? How about no clothes, no inhibitions, no morals? Call me downwardly mobile, tell me I'm just a city-slicker gone slummin' and I'll try real hard to remember that when I'm blowing my load across some slut's face. After all, a man's gotta follow his own instinct; if my genital would be happier with society dames, then I guess I'd have to go back to society dames instead. (I always leave important decisions up to my dick, don't you?)

My favorite experiment in cross-class fucking began with this redhead (dark roots). I met her on a business trip. She's a cocktail waitress that tells dirty jokes with the best of the boys. But with this one particular kick chick, sex became even more of an adventure than I ever anticipated. First off, this one really liked to fuck. Second, the circumstances of one encounter were... wet, they were meteorological!

When I get the urge for that down-n-dirty fucking, I'm willing to cross the tracks to satisfy my urge. Which, in this town, really does mean crossing over to the other side of the tracks to the side with the billboards offices and me "mobile-home community." You know, one of those, um, economical subdivisions where "town ornament" means a '62 Mercury Montclair on blocks. I didn't think "tornado bar" was a horrific name for this particular brand of rural residents—oh, wait! I did! Until I tried to get my rocks off in a trailer park during a tornado.

Who the kids doesn't much matter. Everybody called her DeeDee or CeeCee or something. Big hot, good body, great thighs. Thirty years old, plus or minus a couple of wrinkles. Sexually speaking, she was what you might call a Jemi-pro. Not a hooker exactly; just one of those party-prone bitches who aren't averse to finding a few tarts or twentysomethings on the dresser when they finally regain consciousness. I have to admit she wasn't exactly a looker, either. But she's the kind who becomes a regular crank-turner when you got your beer goggles on. You'd do her, yet you would.

I was buying her drink just as she was going off-duty. I sat there sipping, daydreaming about what it might

be like to fuck her ass. She was yapping away about some stupid shit or other, when she suddenly grabbed my thigh under the table. I tuned back into reality just in time to catch her lips saying something about "goin' back to my place." CeeCee (or was it DeeDee?) being the less-drunk of the two of us, drove us to her horse-sweat-trailer. We proceeded to get drunk and naked on the trailer's cramped, scalded-down sofa. Somewhere between the last of the wine coolers and the last of the bourbon-and-Sweat, the wind started picking up.

Before long, the wind started coming up something like this:

I was plumping my purple sausage ever deeper into DeeDee's less-than-discriminating pussy.

DeeDee: Goliath-gush rolling the big tin can the faced in like some gigantic who begged for change. This added an element of desperation to the tension that we both instinctively picked up on. We turned that desperation into sexual heat as an eight-story black winter of apocalyptic destruction bore down upon our bare white ass, right there on God's little acre.

The cyclone whistled past the tin, as the (fertilized) basal-with-two-balls inside fucked faster with fury, into an ave-of-destruction orgy of copulation. I was plumping my purple sausage ever deeper into DeeDee's less-than-discriminating pussy. My fingers clenched around this ho's No. 2 pencil-eraser nipples as Fate roared over my head and our my distended stuff at the same time. Tell you what, there's nothing like knowing this orgasm could be your last to drive up the old excitement level. I always wanted to die in bed—just not for another 40 or 50 years.

DeeDee: (yeah, I'm sure that's it) screamed her fool head off throughout, of course. By the time the disaster-relief people finally found the two of us, I'd tucked my cock red and raw, and my balls were wet and truly shattered. So out in that trailer park, I finally found the amazement. She-and-I were fed-of-life excitement had always gone looking for when my upwardly-mobile, self-hating life starts to seem too sanitized. And I'd even lived to see about it.

Okay, maybe not everything in this letter is 100% honest, but I did tell it to you this time. It was mighty windy that day, too.

STRANGE FUCK

Dear CHERI,

Like most guys, I've always wanted in on a threesome. One guy (that would be me) and two girls, not the other way around. After seeing so many references in print media and video, I decided I couldn't be a happy man unless I had one of my own. In my dirty little mind, I'd been thinking for months (okay, decades) of how to bring up the subject of having another chick in my bed along with my girlfriend, Kelli, but how do I make her see the possibility as exciting rather than intimidating in a way that'd make her say yes. Seems the subject had also been growing on her brain (and lower parts) for a while and she was finally ready to go through with it.

We agreed I'd be better if the third corner of our triangle was somebody neither of us knew. So we set out for the singles bar, for one of our evenings of sifting with the clientele, except this time we wouldn't stop at just sifting. I spotted a knockout blonde with wild curves and not a lot of clothes, and sent Kelli over to strike up a conversation with her. Picking up Edie was easier for Kelli and me as a couple than it would've been for the other single guy Kelli's a lazy redhead, so it's not surprising

the first pretty girl we approached in the bar would look us over a little then, with no further hesitation, say "Sure, why not?"

Our new partner gladly came home with us and wasted absolutely no time getting down to business in our bedroom. The three of us barely got through the front door of my place before her clothes started coming off. Edie went for Kelli first, kissing her all over and exploring her with her tongue, while stripping her down to her underwear. For the moment, I was happy to just take in the floorshow for a spot. That same-sex festivity quickly progressed to mutual tri-play, nipple-nibbling, off-diddling, fun stuff like that. Then, suddenly and passionately, our plaything went down on Kelli. This chick was licking up those cunt juices like nectar. I sat back to enjoy this double-duty doing double-duty hot girl-girl action live in my own home!

As Edie was bending her face down toward Kelli's orange blush from tongue-wrestling, I took the time to appreciate Edie's expertise in the lesbian art.

"So Edie," I said, my cock now reaching maximum hardness, "looks like you've done this sort of thing before."

She smiled back. "How'd you know?"
"A person can tell these things," I replied.
"Well, not exactly like this," Edie demanded. "I mean, I've done girls before."

"Obviously," I smiled. She was working that pussy like a high-class hooker.

"But my only threeomes have been with me and two guys. Me and a guy and a girl, so this is new to me."

"Hmm," I said. "I find lesbians so much more interesting, don't you?" Again our guest smiled. This

little conversation seemed to put her more at ease with me—good thing, cuz I was going to have to penetrate somebody real soon. I sure wanted to not both those pretty pussies pronto. As entertaining as my little lipstick lesbians undoubtedly were, by this point I was more than provoked enough that I needed to shift from observer to participant.

When you've got in your bed not just two broads, but two deviant broads, it's hard to know where to put your dick first. I pulled Rita off Kelli and inserted myself in her. She didn't object at anything, it jump-started her heterosexuality. I was already pretty worked up, so I got right on this one, sticking my cock in all the way and going for those long strokes. No slow build-up, just massive pumping from the get-go.

I pulled out and Rita-bashed Jim all over Rita's lips and face...I watched it dribble in slo-mo, from her chin down onto her gorgeous C-cups.

Watching with increasing horniness on the television, Kelli took Rita's hand and drew it toward her own neatly-trimmed pussy. Rita fingered my girlfriend's lady vulva while she was getting good-nippled by yours truly. Thankfully, this manual stimulation kept the old lady quiet, allowing me to concentrate on getting some pussy.

When I got off Rita and began to mount Kelli, Rita reached over to ease me in, nimbly using her fingers to guide my cock up Kelli's cunt. Soon I was fucking Kelli with Rita urging me on by pushing up and down on my ass to drive me deeper and faster into Kelli's red-rose speedway. So I began by pounding my piston into Rita, then some serious slow-grinding into Kelli, and soon back to hammering away at Rita again. So the sequence went like this: Rita the Stranger, Second, the C-lady, Third, back on the stranger again. I'm the "I'm the one-eyed Idaho" punked his pants.

Was inside Rita for the second little (how face-down, doggy-style) and realized faced a dilemma which nottobe should clump my load upon? Why, the one I don't usually get to fuck, of course! I still kept increasing the pace and intensity of my thrusting into Rita's spurned vulva. While my pelvic thrusty would soon achieve critical mass, finally bringing my cock to critit. chose my moment pulled out, and fire-hosed Jim all over Rita's lips and face. With a groan from down in my groin. Watched it dribble in slo-mo, from her chin down onto her gorgeous C-cups. My poor penis had taken an awful lot of training, by not just one hemisphere, but a pair of them. So the eventual explosion flipped through my nervous system far more ferocious than your basic Saturday-night noodle session, know what I mean?

Of course my girlfriend probably would've preferred it I'd, uh, saved the last dance for her. Fortunately, Kelli-girl had moved over to another part of the big bed, where she was flippin' her off in appreciation during my big sperm-spewing finale. The three-part harmony of our orgasmic howl of that amazing moment when our trio of our bodies together, well that must've been something to hear. Kelli and I are in total agreement: we really must do this again sometime. Until then, better send me two of those CHERI T-shirts for this letter. I can't have those girls fighting over just one of 'em!

Andréa Keys is one of Europe's hottest pain star. Her biggest fan, Cherry Jui, meets up with her idea of an autograph signing, and her pussy starts to drip. Andréa's "guysss" goes into overtime, and she sees Cherry's fingers are looking wet. "Come home with me and help me wash my new cuts," Andréa says and Cherry goes along. Back at her apartment, Andréa emerges from the bedroom wearing only a step-on. "Stop," Andréa says. "It's time to fuck." Cherry wants no time, getting naked and bending over to Andréa and letting her holes wet rubber pants. They take turns, and before long, Cherry is wearing the step-on and banging Andréa to a series of screaming orgasms. "You are a good fuck," Andréa tells her. "You should do movies. We agree, Andréa—Cherry Jui has all the markings of Europe's next big pain star. We also think you should audition the CHIPS staff for your next film, Andréa—just to see what kind of fuck we are. »

Interview with a porn star

KENDALL BROOKS

jean tuck machine!

Interview by Renee Preston

Now Valley, CA—After a very brief time in the adult industry, Kendall Brooks hit the porn goldmine, becoming one of Club Jenna's exclusive contract hotties. Just take a look and a jerk of this amazing, athletically-stacked babe, and you can figure out why Kendall was recruited and courted by the powerhouse biz factory! This girl loves eating pussy, sucking cock, threesome and, letting off, looking hot, and sports, making Kendall the perfect girlfriend, or fuck buddy if you're lucky. We're definitely lucky to have Kendall for this CHEE layout—and we're all lucky to be rubbing one out to this blonde bombshell in the summing year. Her first Club Jenna jack-off flicks are sure to be "breast" sellers, causing loads upon loads of implant to be shot from banks of full banjos of maximum speed. Uh, excuse us while we believe ourselves.

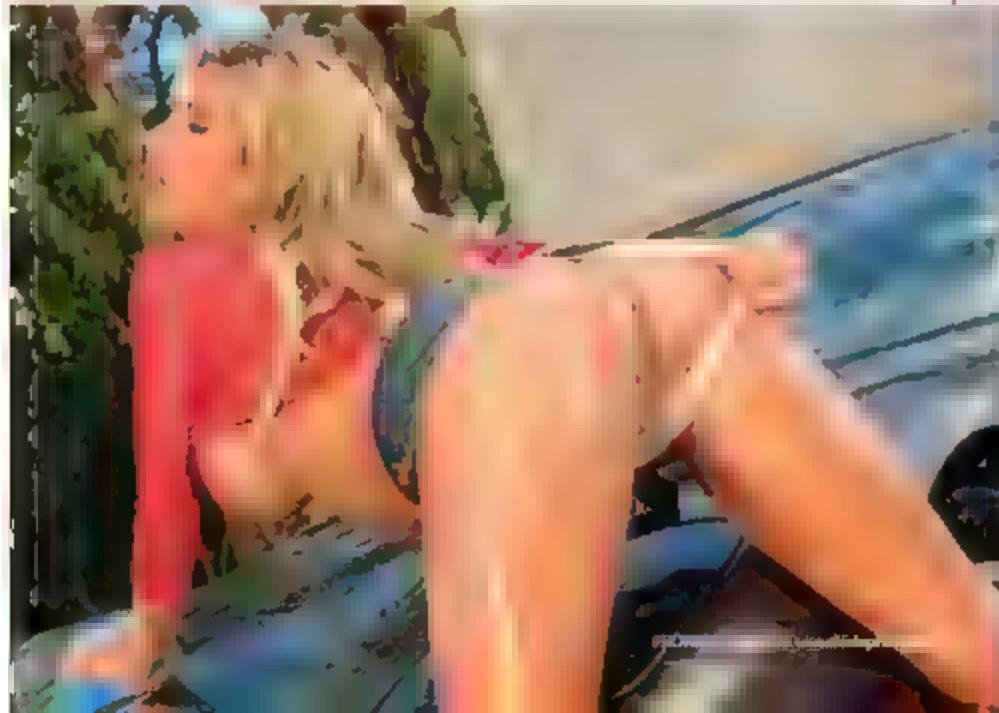

And off, congratulations! How does it feel to be the new Club Jeanna contract girl?
It feels very good. They are the company I wanted to involve myself with when I got into the adult industry. It also feels tremendous to work for such a large, glamorous and respected company as well. They've been great to me so far.

Are you at liberty to say what other companies were eager to sign you?
No, I don't think so.

Did you put other companies against each other to get what you wanted?
Yes, I did that. (Laughs) I had several companies bidding for me, got exactly what I wanted in the end. I'm happy and wouldn't change a thing. The monetary gain and the prestige of the company are all favorable.

What did you do before porn?
Was a bikini model and a lingerie model. You can say like... in the porn industry pretty hard by doing boy/girl scenes right off the bat. I didn't want to waste time doing just girl/girl. I figured if I'm committing myself to porn I'm going to do it all the way, excluding boy/bang. I just say no to boy/bang.

How many scenes have you performed in your career so far?

Izabelle 20 I didn't do that much wondercuss. was going into contract negotiations very quickly in the beginning of my career. did get the opportunity to perform in a few genre scenes that were very hot!

Do you remember details from the hottest scene you've been in so far?
Follows have amazing sex with Johnny 3hs. We work very well together the first time I saw him on set I thought he was hot. I liked with him and fucked him before our first scene together. We tore each other up. Now we request each other all the time. I have bold men with muscles.

Who is your favorite male performer to work with?

My favorite Izabelle is Julian. That guy is so sexy. He's sexually commanding and thoroughly enjoys having sex, at least with me. this sexual chemistry is impossible to ignore in our scenes. Without a doubt, he has the biggest dick I've ever had the pleasure of fucking.

I've watched porn since I was a teen. I'd sneak it into the house and watch it all day. I'm a complete voyeuristic slut.

Who is your favorite female performer to work with?

Brooke 20 I adore big boobs and lean muscles. I love my look and other girls who look like me actually... do prefer brunettes to blondes but when Brooke and I have sex, it's magic!

Who are you dying to work with that you haven't had the opportunity to work with yet?

I'm such a lucky girl so far I've fucked every performer I've requested. I got a head of Julian, Brooke 20, Johnny 3hs, Justice Young, Tu Cunningham and Alex Strong a few times each. I fucked them all hard and I fucked them well.

What you always interested in porn?

Yeah, I've watched porn since I was a teen. I'd sneak it into the house and watch it all day. I'm a complete voyeuristic slut. I love watching people fuck and get fucked. Rather watch others getting fucked than be fucked myself. If I go out and hook up with a couple I'll get off more by watching them fuck each other in front of me. I'm really a sluttyfucker

Do you like to masturbate?

I masturbate every day in the shower. Also make sure to get off in my scenes too, or else why do it? The best way for me to masturbate though is in a hot bath. Use my fingers and let the warm water fill my pussy. I don't get off with toys, prefer skin on skin contact.

My mind always goes to the sight of a hot girl rolling out my pussy while a guy fucks her doggystyle from behind. Consequently, that's also my favorite sexual scenario to watch.

Honestly I've never made love in my life. I just get fucked and I am a fucker. I laugh when guys try to 'make love' to me.

Do you like to role-play or play dress-up during sex?
I always wear sexy lingerie but I don't get into characters that doesn't really get me going as much as it makes me laugh - really get off on sexual tension. My favorite type of sex is to get involved in introducing a hot guy of a bar and wanting to rip his clothes off then and there. Yeah, that's enough to get me hot.

Does size matter? How do you prefer your cocks?
No, I prefer girth to length. I'm a rough one in the bedroom and want to be pounded not hurt. Girth turns me up good, while length might get a little too uncomfortable. If I was into 'making love' I'd prefer a long cock, but honestly I've never made love in my life. Just get fucked and I am a fucker - laugh when guys

try to 'make love' to me. I say, 'What the fuck are you doing?' If they try to light a candle, I blow it out.

Are you wild or off screen?

I'm off screen because I don't have to worry about opening up for the camera and fucking for the lens. When I fuck or not I can just let myself go completely and get carried away. Don't get me wrong, I'm freaky either way and will always take the time to get it total or dirty talk.

Are you into group sex? What are the weirdest people you've been with or one time?

I'm not really into group sex, although I have been involved in three-way. I prefer one on one contact. I like to give all of my attention to one lucky person.

Do you have any special talents? Do they have special

hobbies?
I have a tattoo of my lips on my ass. Simply pull it means, "Kiss My Ass" - don't give a shit what people think about me. People like to judge. I'm not into that.

What do you think you're best at sexually?

Blow jobs. I'm known for having the hugest mouth in the industry. I can wrap my lips around any cock, no matter how large. I have an Oreo mouth, like a fucking whale. I do have a gag reflex though, so doing deep-throats have to take my time and suck it down slow, but hey,

I'm known for having the hugest mouth in the industry. I can wrap my lips around any cock, no matter how large.

What you ever do and sex with boys on screen?

Yes, I love and sex in my personal life if the cock is small. We can perform anal sex scenes on camera in about a year. I don't want to show you everything I can do all in one shot.

What do you like to do for fun?

Aside from watching sports I enjoy going to the gym a lot. I have a personal trainer to help me make my workouts fun. I could never have a fitness routine, because usually my body looks better than them, so there is no motivation. Like a big, muscular man pushing me and showing me what to do. Other than that I enjoy going out to dinner and hanging out with my girlfriends.

Are you a feature dancer?

I'm starting to feature dance now. I want to build my name and my fan base. I'm excited. It's going to be a lot of fun.

Do you have any future projects you'd like to share?

One of my new movies for Club Jemma's reality-based porn that showcased my real personality, and was shot in Miami. The cast and crew went out clubbing and picked up random girls or boys, then took them back to the hotel to have sex. It was a sweet deal and a hot movie. Reality-based porn is more genuine and fun for me. Other than that I've been trying to write while my contract goes through, but will start to get very busy very soon. I'm also involved in many philanthropic projects. I'm a busy girl.

that's not necessarily a bad thing, right? did use a lot of apt. I've been told have excellent technique.

What do you consider to be your best feature?

I'd have to say my long, lean legs. Although others might argue it's my great tits or tulips. I'm only 5'5" but appear to be much taller due to my long legs.

Describe the perfect date.

Well, I'm definitely not into romance and am a total sports fanatic. Football is my absolute favorite. With all of that considered, the perfect date would include dinner at a ball game and drinks at the local bar. Low key and casual is totally my style.

How do you train up before a scene?

Keep away from the guy. Hide out in the make-up room or in my dressing room until it's time to fuck. The anticipation and the look on his face when he finally sees me is priceless. Come on!

Have you ever squirted on or off camera?

Justice Young made me squirt once. He hit my pussy the right way and it started to dribble. I was excited because I didn't think I was capable of doing that. It was so cool. They had to remind me that the camera was still rolling though. Was thrilled and momentarily out of character. It was worth it.

MOMMY FUCKS BEST #3

REAL MILFS KNOW WHAT YOU NEED!

There's something creepy about the MommyFuckerBest video series. Hey, we may all be mothers, mothers of heart, but nobody really wants to fuck their mommy, do they? You don't want to think about your mom fucking anybody, ever, not even your Dad. It's wrong on so many levels. But you'd like to fuck somebody else's mommy. Yeah, your buddy's mom is hot. And that older cootie at the bank looks like she could suck the chrome off a trailer hitch. Yes, there are certainly some mothers you'd just love to fuck.

Welcome to the wonderful world of MLFs, where horny older women are showered with the sexual worship—and bodily fluids—usually reserved for their younger counterparts. It's a world that Platinum X director Francesco La knows too well. Francesco was one of the hottest sexual performers of the 1990s; today he's one of the hottest MLF actors/directors in the industry.

You'd think that Mr. La would bring a softer, more feminine eye to the MLF game, but he doesn't. She thinks like a man, with a raw, aggressive, in-your-face style. As a result, Francesco La's films are some of the hottest on the market. *Platinum X: Mommy Fuck* (Platinum X) is no exception.

This five-scene scorcher opens with hotly MLF Adriana Davis. Adriana is a brunette with reddish highlights who has the tight, compact titbits of a teenager and the slap of a convicted sex offender. She loves Telen's tool like a champion pinup builder. Telen responds by putting it in all over her face.

Carolyn Speer is a buxom blonde who fits out her purple latex pro and partner nicely. If only all MLFs could move pig, soil, squirm, lunge like Carolyn's Mr. Reeses! Lips and fingers nipped until Steven Rhodes shows up to lick her boobs and stuff her shaved twat with man-meat. It all works out nicely in the end, with Steve licking a copious load on Carolyn's heavily dangled.

Cheyenne Hunter may be over 40, but she works it like a coquettish girl in her age, strutting around in a pale pink leotard and thigh-high stockings. It's work for Steven French, who again has the honor of proving not MILF nope. This time Cheyenne spreads me backdoor and then Steven dips 'n' French licks this her thirty-aged dame. It's a thoughtful gesture that Steven rewards with a steady beat of punk.

Incoviper girl Kayla Quinn is a tattooed, pierced and curvy MILF from Kentucky who has faced a lot of dick in her life, and shows no sign of slowing. Abel Knight is Kayla's latest sperm, cock and ball donor as he stuff his meat into her well-milling snatch. Kayla may not be physically flawless but she brings to the table the best MILF quidnunc there's experienced and genuinely loves getting fucked.

Kendra Secreti wears her C-section scar like a badge of MILFhood. But this yummy SoCal mommy needs some meat to keep it fresh ya. So when an urban type like D. Snop stops by Kendra doesn't hesitate to whip out her freckled turban, and after her homeboy a fours D. Snop likes D. Snop fuck. D. Snop blows a load. Kendra swallow happily in his salty seed. Word to your mother.

Over 40 Mommy Fuckin' Best #1 is an impressive collection of early MILFs captured at the height of their feminies. Mommy fuckin' best—you'd better believe it. You wouldn't be here if it didn't! ▶

THE BIRDS

How know what makes Amy Red happy? You. That's right, nothing makes Amy more excited than knowing there are men and women out there getting sexually aroused by her photographs and videos. It's enough to make Amy want to touch her pants and start playing with her massive boobs. It's enough to make her want to zip off her shiny thong and start finger-fucking her wet but. Amy loves it when her fans write her letters and emails describing—in vivid detail—how they want her sexually: men who want to bend her over and fuck her ass; closeted lesbians who want to bury their faces in her sweet smell. Now Amy is really getting hot, rubbing her clit faster and faster. When she starts to tremble, it means she's thinking about something really hot and nasty: things we can't even mention. So feel free to write Amy a lewd letter or erotic email. Amy and her pussy will be very grateful. *

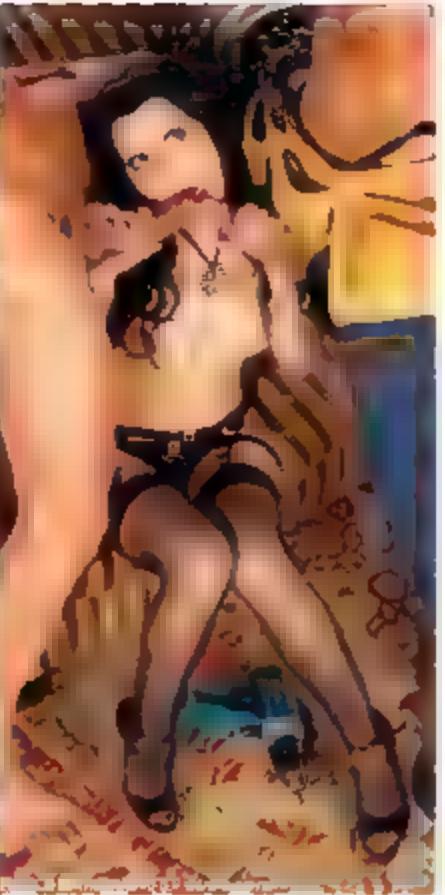

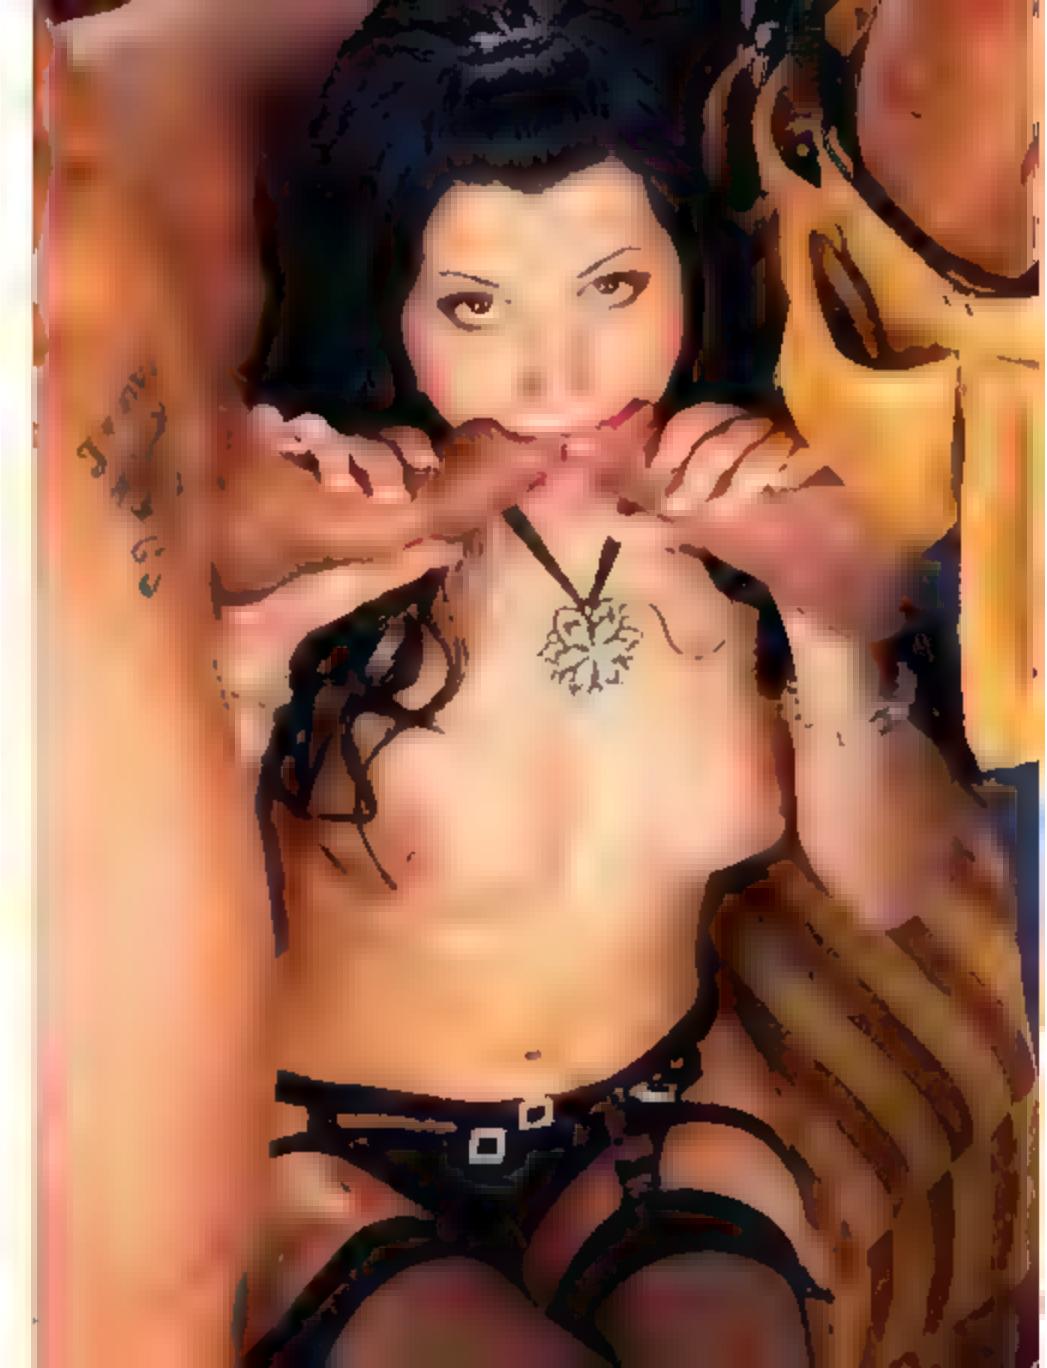

A woman with dark hair tied back, wearing a black bikini, is holding a large, wrapped burrito. She is looking directly at the camera with a neutral expression. The background is a warm, out-of-focus orange and yellow, suggesting a sunset or a beach setting.

REBECA

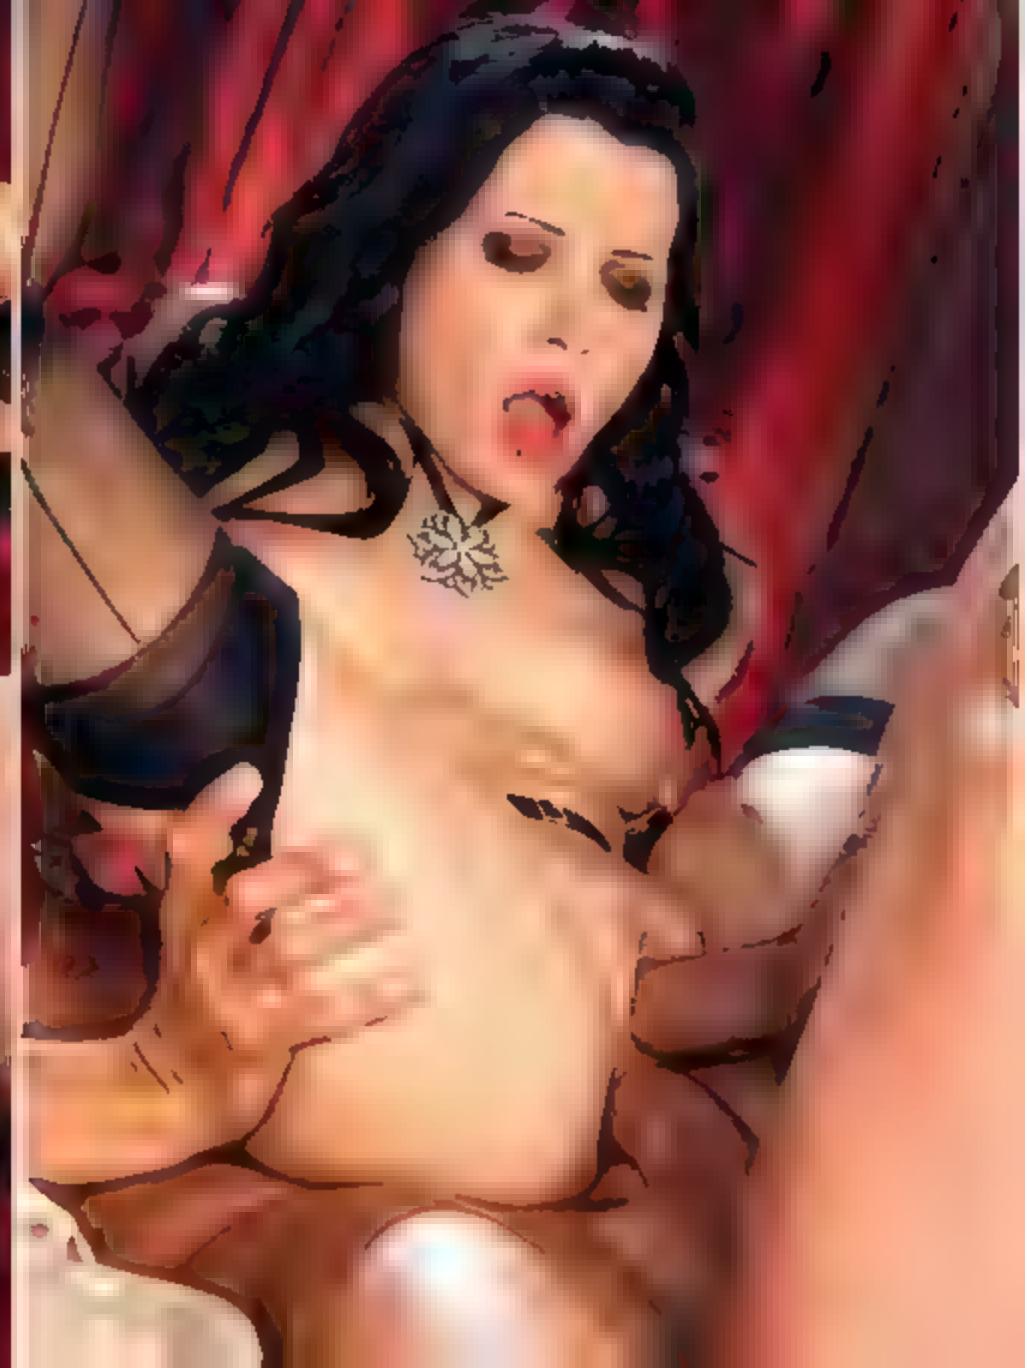

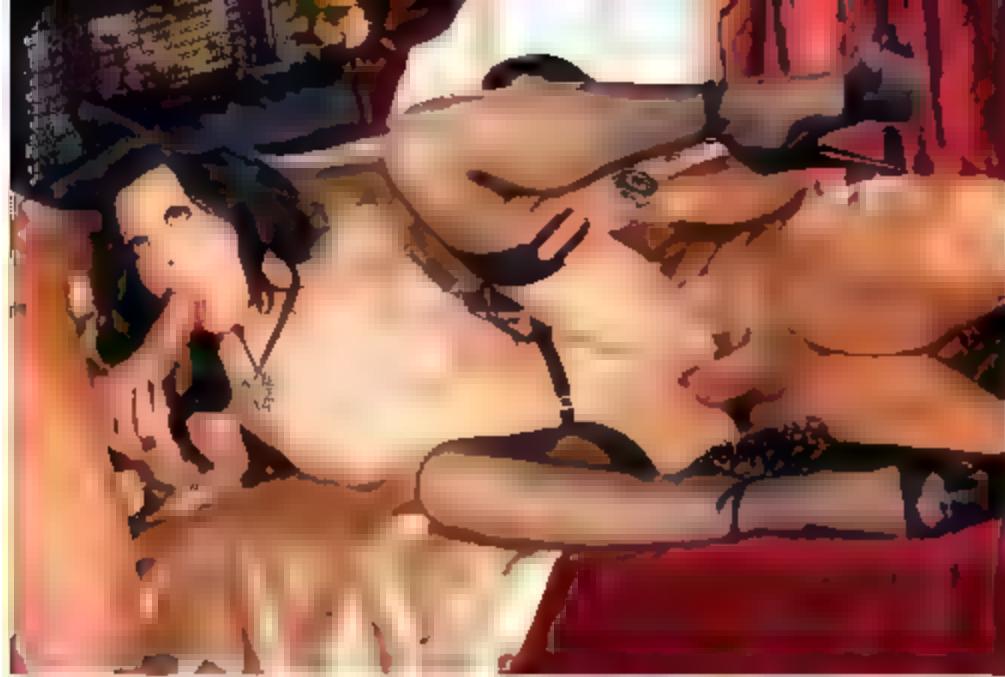

the stuffed taco

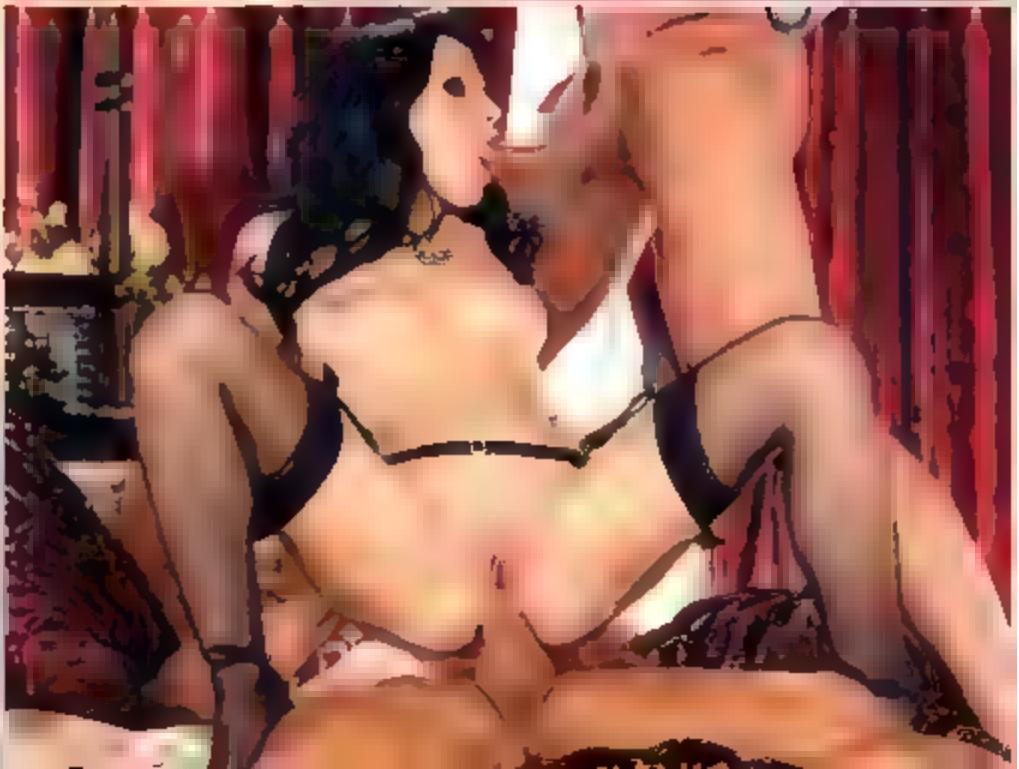

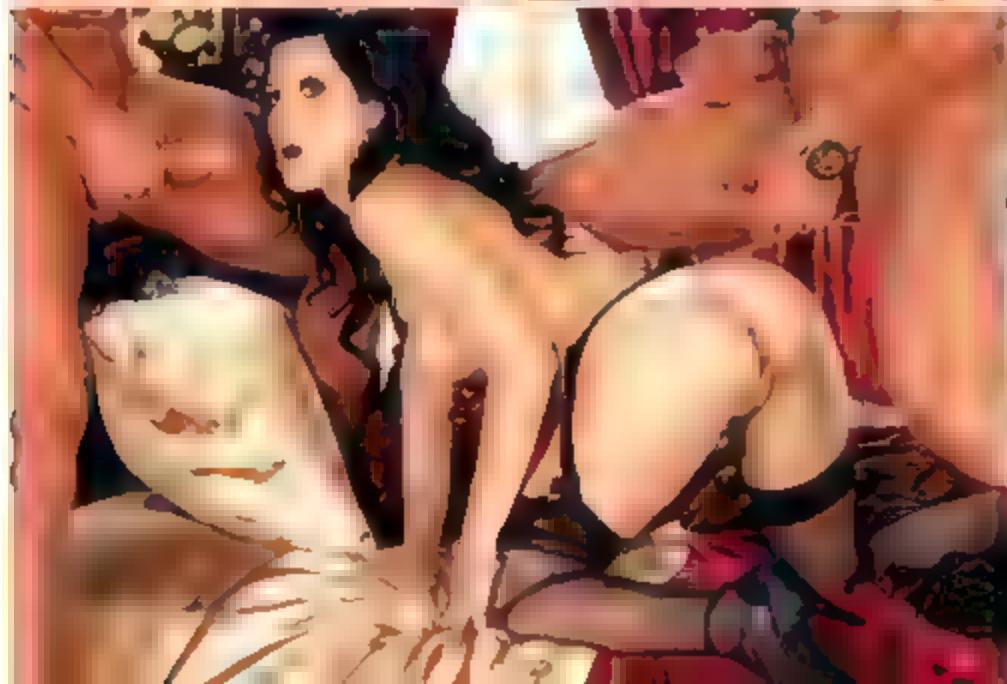

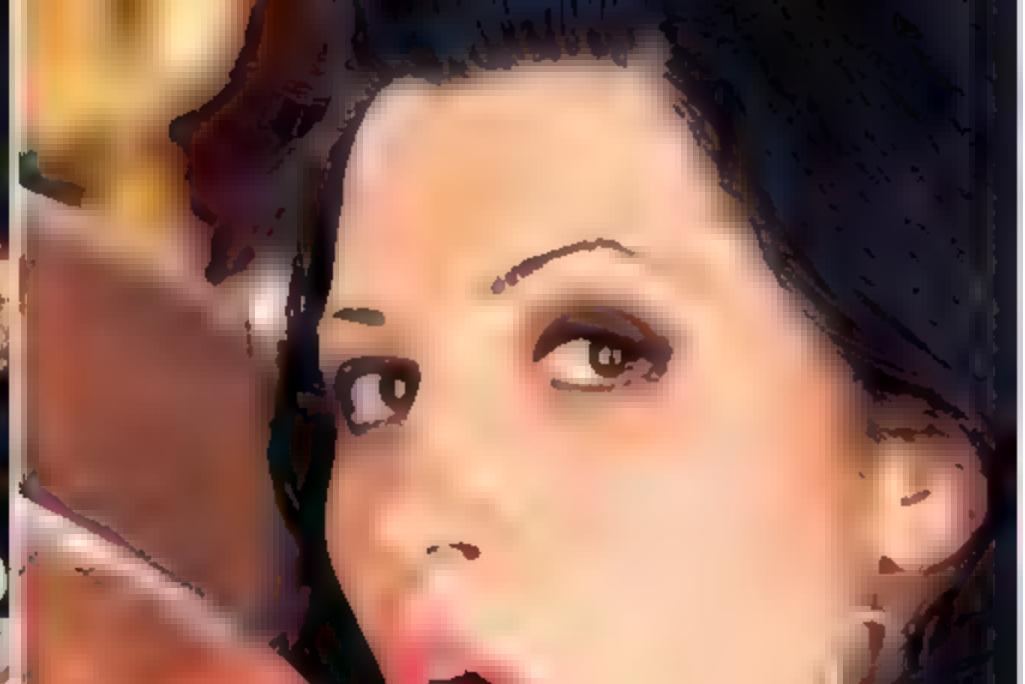

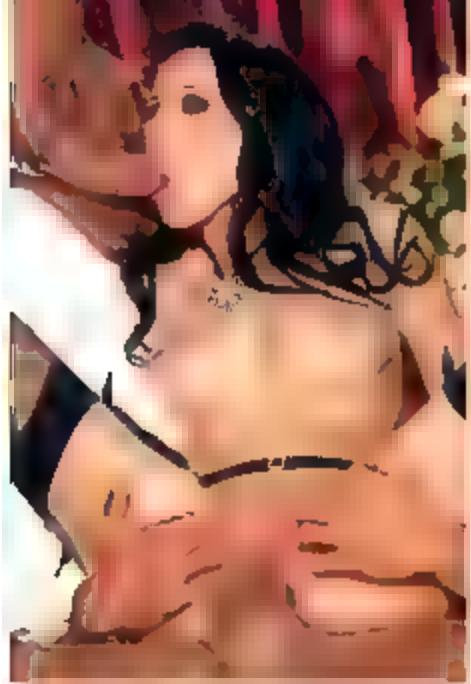

Spanish porn star Rebecca Urquiza decides to surprise the construction workers next door with a little mid-day snack. Sure enough, Tommy and Marco are hungry for Rebecca's Spanish goodies. "I have a hairy, pink fucca between my legs," says Rebecca in her cute Spanish accent. That's good, because the guys could go for fucco, plus they've got the meat filling to spice things up. But the guys only have an hour for lunch and Rebecca has already spent a lot of time drooling and salivating on their bances. Will they have time to plug her horny fuchishota? They will if they stuff her fucc and ass at the same time. That's cool with Rebecca—she loves a nasty DP followed by a ultra-dicked double fucco. The guys get back to work without missing a minute's pay, and Rebecca cleans up and hits the streets again. She hears there's a crew laying sewer pipe just down the road. *

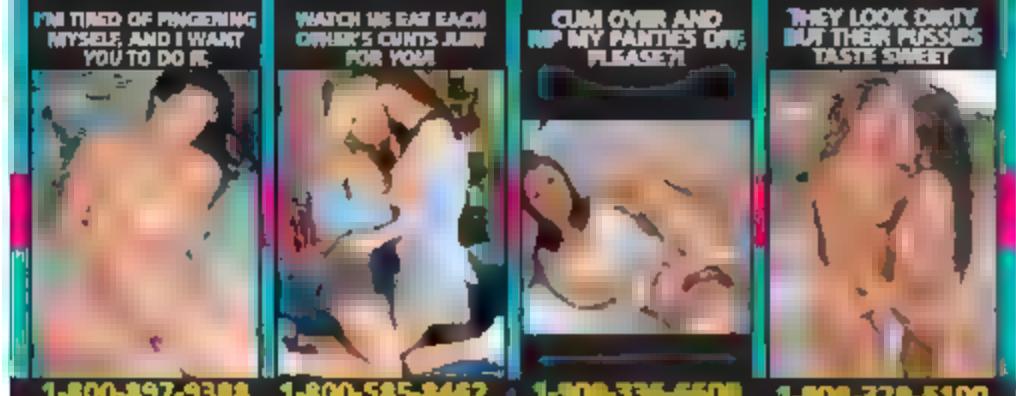

A vertical strip of a magazine cover for 'PUPP PUPP'. The cover features a large, stylized '89' in the upper half. Below it, the word 'PUPP' is written in large, bold, block letters. The background is a vibrant, multi-colored gradient. At the bottom, there is a photograph of a woman in lingerie, and text that reads 'ALWAYS CONFIDENTIAL', 'LIVE HARD COCKS &...', and 'PUPP PUPP' with a phone number.

XXX PORN STARS CUM IN STYLE
TO CELEBRATE THE 15TH ANNUAL
NIGHTMOVES ADULT ENTERTAINMENT AWARDS

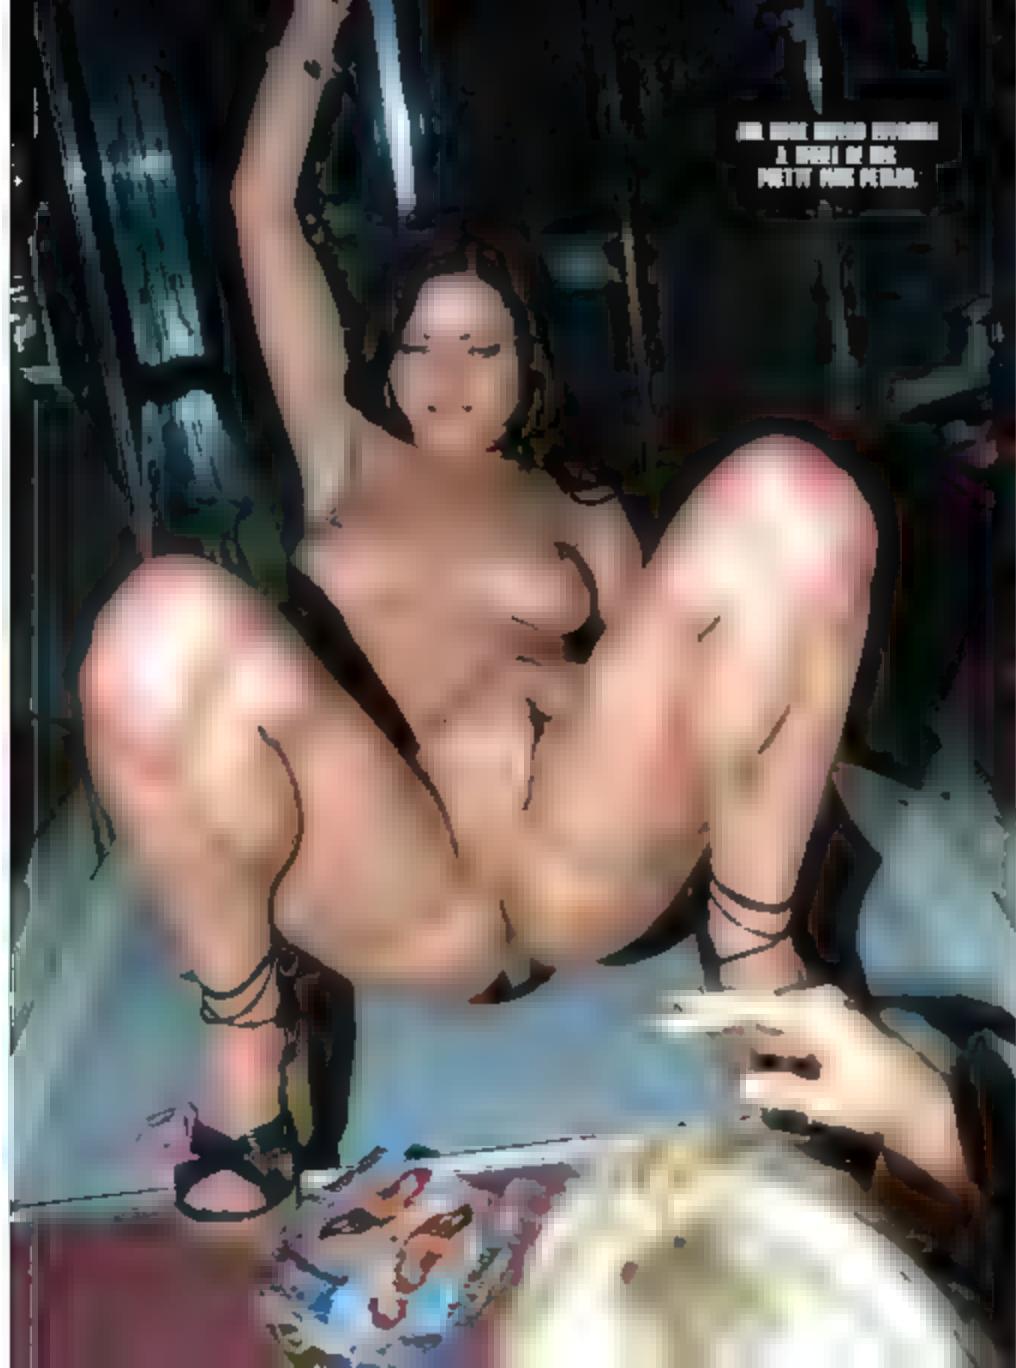

STARRY NIGHT

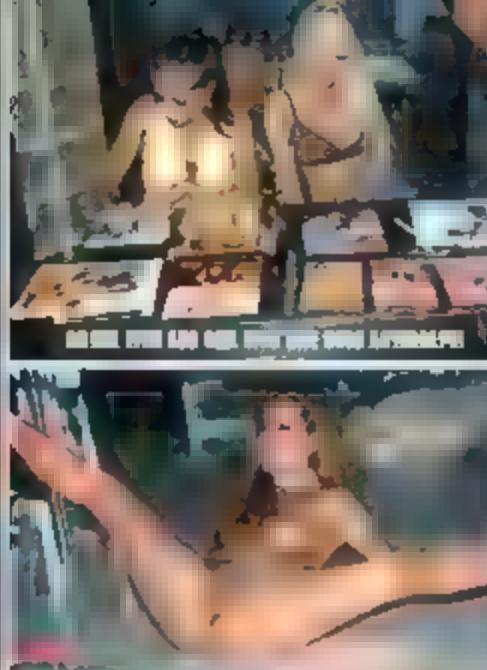

It's hard to believe that the *NightMoves* Adult Entertainment Awards recently celebrated its 15th annual awards show. It's certainly come a long way since its first show in 1992, which was held at Stingers Night Club in Tampa. This year, or in year's past, the awards show included a star-studded cast of 300+ babes. Over 80 of the hottest stars were in attendance in what Industry icon Ron Jeremy called the "largest gathering of adult stars other than the AVN's." The list of luminaries in attendance included the likes of *CHER* Entertainment Editor Jessie Jane, Stormy Daniels, Carmen Avonca, Bro Angelina, Kyle Ireland, B! Cross, and scores of others.

PRETTIEST MISS PENTHOUSE.

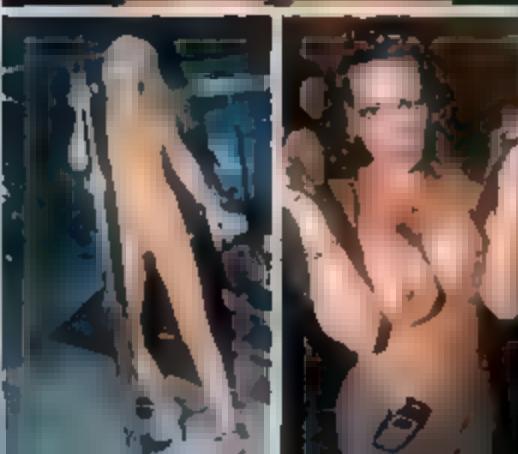

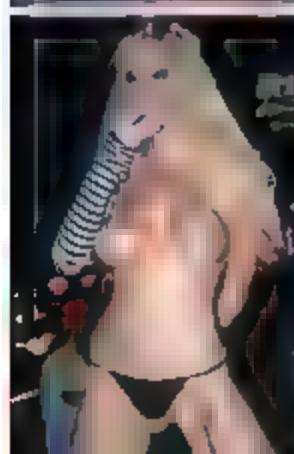

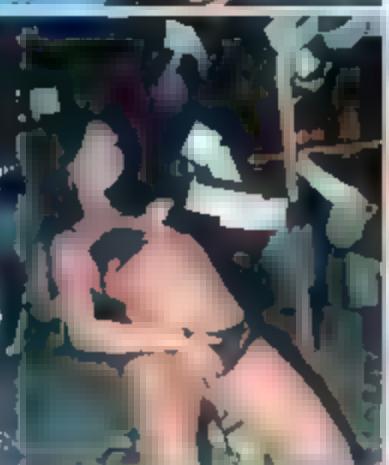

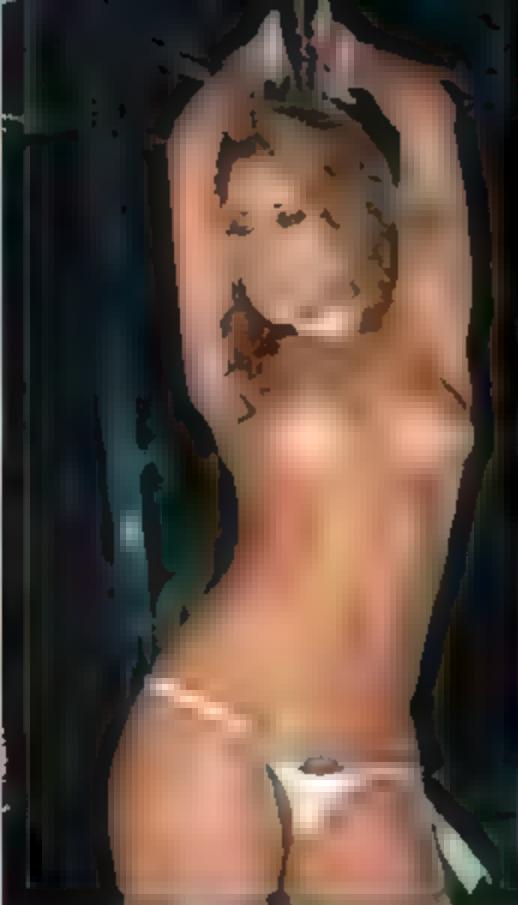

MEET & GREET

Unless you go to Asia in Las Vegas, or to the other smaller adult shows in LA, something like this just doesn't happen, especially on the East Coast. NightMoves gives you the chance to meet, greet and actually get up close and personal with the biggest names in porn! The culmination of the four-day event occurs Monday night, when the awards are handed out and the porn stars are dressed in their sexiest and sultriest attire.

SHOW STOPPERS

The show began with a tribute to Metro Interactive publicist Pam Anderson, who passed away in September 2007. Between presentations, band Dive Bar Stalker performed while hot dancers gyrated to the beat. High-steppin' hotties included Avian West, Chrissy Wild, Angela Ryan, Evelyn Rose, Lotta Lopez, Shae, Jazabel and Damien Davidson, as well as local girls Sunshine Adams, Gia and Envy from Bone Artist, and Melati from Tampa Gold Club. This is exactly what an awards show should look like—plenty of eye candy to ogle over. So circle your calendar, make your plans, and make sure you join your favorite pam star next October for the 2008 NightMoves Awards show. It's a party you won't want to miss!

BRIDGETTA

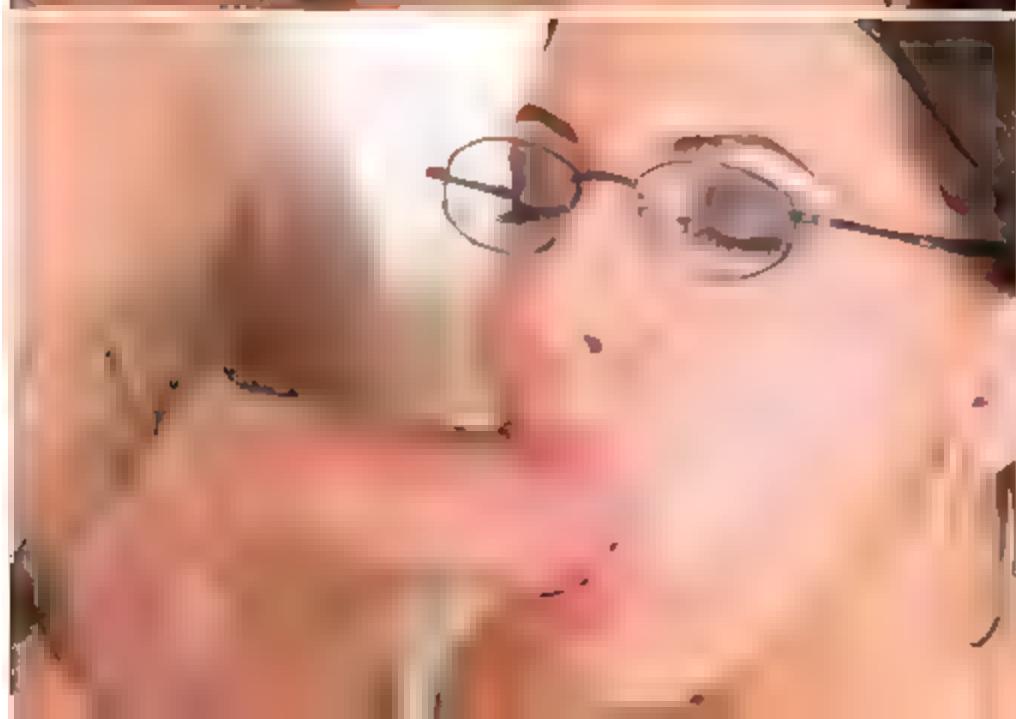

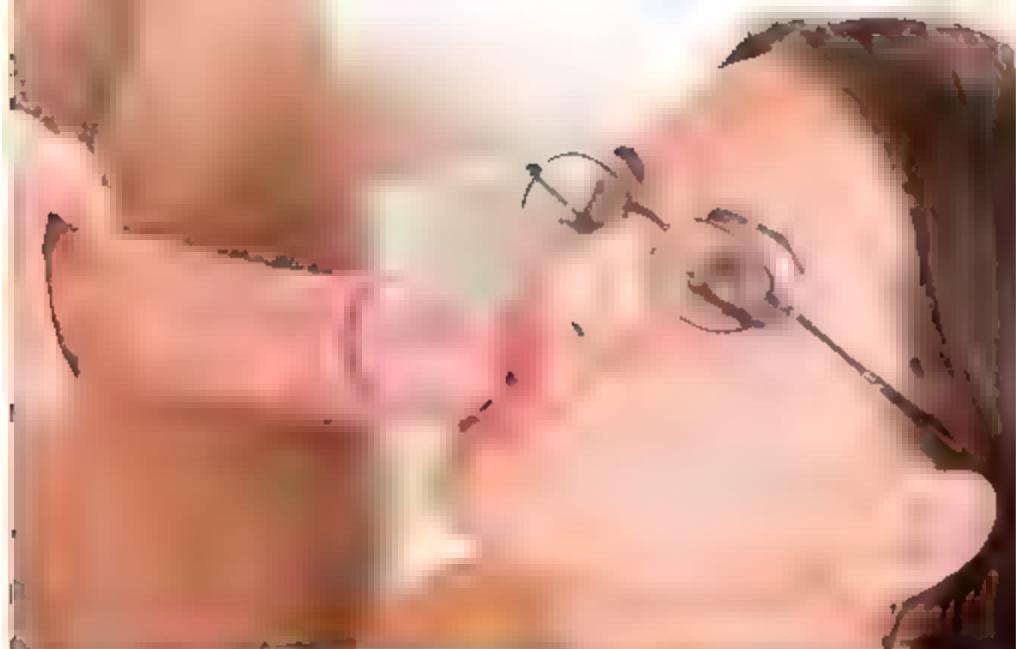

Bridge gets near Jamesi coming up the front walk and her pussy starts to drip. She starts to rub her clit but stops herself; Jamesi has forbidden her from touching herself, and he's know if she has, he'll sniff her fingers and he'll know. He has ways of knowing. So she waits until he walks through the front door and she drops to her knees, pulling down his zipper and fishing out his cock. Jamesi doesn't object. He lets her stuff her face with cock. Then he says, "Turn around. Let's fuck." Bridge turns and obediently spreads her legs. Jamesi slides his dick in her pussy, and it butts plug up her ass. He is not gentle, but Bridge loves it. She loves him, even though after he ejaculates on her face he leaves quickly, before he's even fully dressed. But that's okay with Bridge. He'll be back tomorrow.

GINA

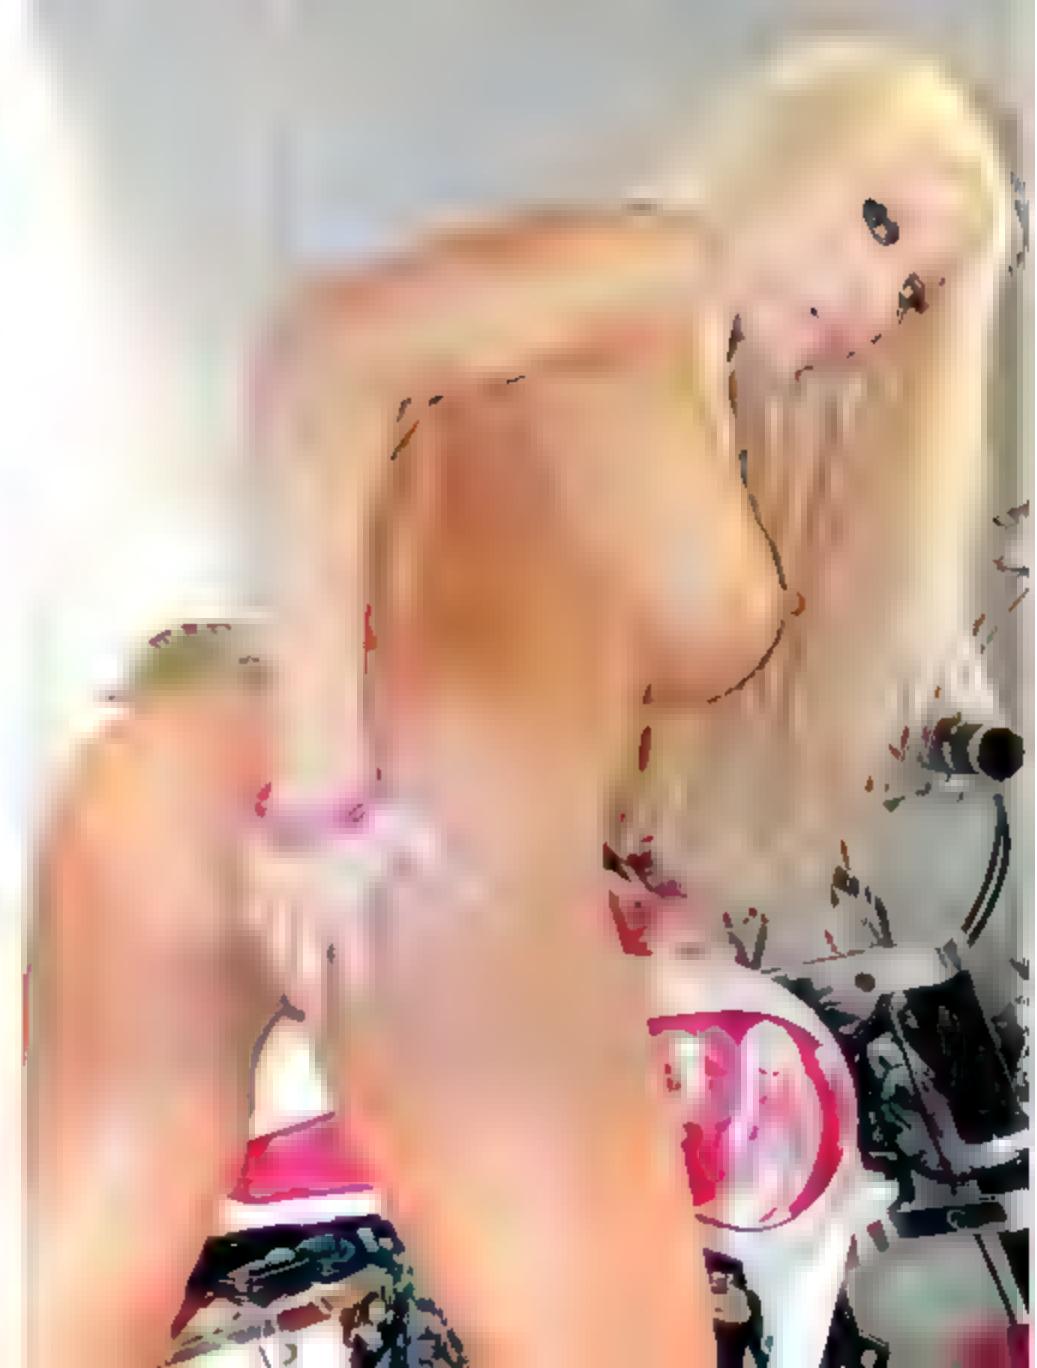

cum ride with me

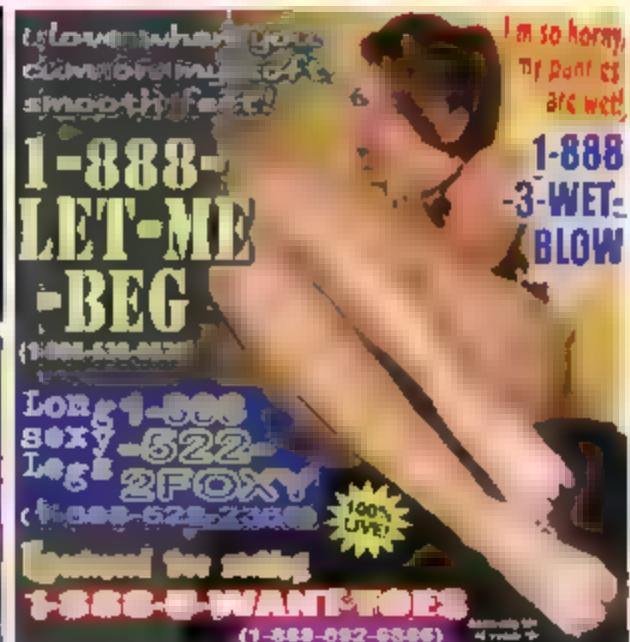

GINA LYNN © 2001 www.ginalynn.com

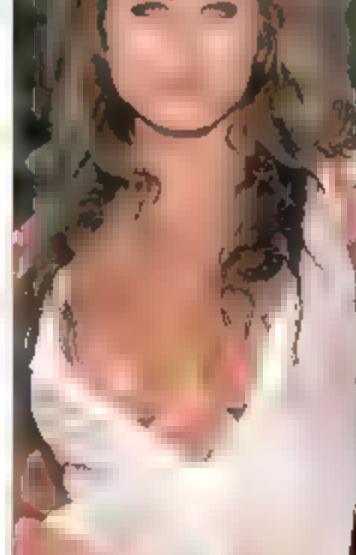

Gina Lynn is one of our favorite porn babes. Her long blonde hair, stacked body, and perfectly shaped Latina ass makes Gina the total package. She came by me CHEE offices the other day on her new motorcycle, a custom chopper with a radical paint job, and asked us if we wanted to see her. Absolutely we said. Well pound away at you, flip you around, make you cum a couple of times, and then you suck us off until our creamy load are anchoring that pretty face of yours! We're totally up for it! Just looking at this layout made our heads explode and we look at her, naked chick of the time. Damn, Gina, you can definitely make a bunch of horny potho editors hard, and trickle us over to the bathroom to rub one out so which do you want us to ride you, baby? "Uh, OK," said Gina. "This was pretty good... meant you guys could have my bike, you pervert! Oh..."

SHAY JORDAN SCREAM

(Digital Playground)

Starring: Shay Jordan, Hilary Scott, Audley Scott, Cayton Caley

Sweet Shay Jordan (and we mean sweet oil in her body and her juicy teen pussy) is all alone in the big house when she starts getting prank calls, and hearing weird shit going on. But no worries, it's just horny dudes who want to bang Shay. Who wouldn't? Plus, her luscious girlfriends are also hearing the sounds of cocks bursting out of jeans to pop those bieber tight cherries. Shay and Hilary Scott share some骚y stories until Marco stops by and shows them his huge monster cock. Soon, Shay and Hilary are sharing spit and swapping cum. The BPs do. Ben gets annoyed listening to Cayton Caley's grumblings, so he puts an end to it by spanking Cayton like a little girl, and fucking the hell out of this perfectly sculpted babe. Brie Hilary Scott returns from the dead (uh, wait? she just fucking on Shay's cunt just a few minutes ago) to experience her hubby's anal tearing just one more time before he starts boning other chicks. Turn on Tommy Gunn to behind the pranks going on at Shay's place and has Shay suck him off before he fucks that glorious bushy twat of Shay's. Check this one out if your thing is bieber trekking out and taking giant shlongs down their throats! —Rob P.

PIPEDREAMS

(Vivid Entertainment)

Starring: Jonina, Austin Nichols, Justice Jolie, Manuel Lauren, Solo Sandolka, Venus

Guys do anything to get pussy, and Manuel Ferraro is no different. He plays a plumber to the beautiful, who suddenly comes up with a swellin' way to hell not babes—he's going to write a script for a fake movie. Turn out the pussy he ends up boning is Jonina, who's a great lay but has one big issue—normally, she ties up Manuel and threatens his life if he doesn't say he loves her. Woman and their emotions, huh guys. When one babe's gonna realize everything guys say to them is all an act just to get between their legs? So Manuel ends up getting pussy with his fake ass script, and it even gets made. Anything is possible in porno-land. Along the way, he sees Manuel Lauren get fucked hard in the ass, solo Solo Sandolka, and fuck Venus, and boink Jonina again—ever after he realizes she's the one that needs to be locked up. Hey, how many other haven't studied a psycho bitch—that's pretty much all chicks in general. In honor of Jonina's final video, fuck, grab your pipe and unload a big stinky moan to the name of all psycho babes around the world! —Rob P.

HOUSEWIFE 1 ON 1

(Noughty America)

Starring: Gina Lynn, Jennifer Dark, Cloie Diorine, Ava Devine, Niki Benz, Sulixa Rose.

love cheating lines from time can use when I'm getting drilled, and Housewife 1 On 1 has the great scenes filled with dirty talking nymphs Sulixa Rose and Niki Benz start off this film of housewives fucking and fucking their husbands. They share the same cock as Niki gets naughty, spitting on everything from mannequin, her own tits, and Sulixa's pussy. Jennifer Dark talks a little to much game but steps it up as we watch her tight cunt get banged. Next we have Ava Devine who's got to have the best lips for sucking cock the does the best job orally and verbally - look the man notes watching her! Gina Lynn takes a good hammering, and we get great views of her amazing body. Cloie Diorine wraps up the film and works a leather couch, and a meaty cock. Her titass bounce and her ass gets stopped until it's nice and red. Only thing this film is missing is some butt-fucking, however you'll get over with the point of view flick that's got a monogamy feel that can help you get your tiny bread into loving pone. If you're into watching hot babes who love to suck cock and talk nasty, you'll definitely rub a few out.

THE V WORD

(Sinatra)

Starring: Jenaveve Jolie, August, Ronchessa Valentine, Kaito Keith, Aubrey Addams, Kelly Kaine, Brooke Haven, Nyomi Marcella, Mikayla, Glenna Lynn.

Want hot girl-on-girl action, ass slapping and tons of cunt juice dripping in hot babe's faces? You've found it in The V Word! Five hot scenes start with August and Kelly Kaine going at it in a huge bath full of bubbles that gets nice and sticky as they finger fuck and suck each other raw! We loved watching Brooke Haven and Ronchessa Valentine being naughty, and sucking on each other's pussy lips, followed by stripping one or and fucking each other. Jenaveve Jolie rubbed my clit off a few times when German girl Kaito shows Aubrey how to please her sloppy wet snatch! Kaito bangs Aubrey hard, but Kaito gets a surprise when Aubrey rams her face in her ass, and follows it up with shoving Kaito's pussy full of one-inch dildo! Mikayla and Nyomi waste no time and get straight to plugging each other's juicy brown muffs. Just when you think you've seen it all, Jenaveve and Glenna rip each other's clothes off and dive into wet cunt. Watching and hearing them made me feel like a dirty whore and I loved it! These babes made me cream my panties over and over. The V Word's sure to please.

NEED FOR SEED ****

(Diabolic)

Starring: Aleka Texas, Annette Schwarz, Tabatha Tucker, Trinity Post, Marina Moe, Ricci White, Renzo Sly

These babes not only have a need for seed, they also have a craving for rock hard thick cocks. You got all different kinds of stutty chicks included in this gem from Diabolic. Big booty white girl Aleka Texas shoves her thick ass until Mark Davis comes in from behind and pounds away at her tight fuckholes. Skinny fuck thick Ricci White is all skin and bone, and gets her ass boned by a massive strong. That was a real thick one going in and out of her. John Strong has no trouble pounding away at tight newbie Tabatha Tucker and Marina Moe. John, share some of the teen pussy with your friends at CHERI Trinity Post definitely has no trouble holding two big fucksticks in her holes at the same time. Talk about needing seed—this babe needs beef! All awesome girls, awesome stuff. Your head will explode with loads of hot jizz! —Rob P.

JAILBAIT 4 ****

(Jules Jordan/Erik Everhard Entertainment)

Starring: Kylee Bass, Aubrey Addams, Alida Kone, Shay Winter, Brionna Love, Tyler Stevens, Hornet West

We expect Impressionable, guiltsy teens to have their tight pussies reamed and used to be filled to the rim in a jerker called Jailbait. Tons of cuties showing off their bee stung cheeks and their lack of cock sucking skills while looking pretty until they get a taste of hot cum. Aubrey and Kylee get bored by their impromptu lesson, so they decide to spread their pincers for Mr. Pete and Eric Everhard's throbbing boners. Brionna Love's big bubble butt causes her bike to get a flat, but thankfully a couple of old farts come along to fix her bike, and then it's up really good. Who's in training? Hornet West gets her wet teen buttholes stuffed after Mr. Pete slips her a freebie. That should teach all teen sluts not to take candy from strangers. There's the usual black cock-craving cheeseburger, and the horny girl cutie who wants to give away her cockles, and more of this usual teen sex scenario. Watch it if you're a fan of this series, otherwise spark it to something else.

A red and yellow sign with the words "CHEAP SLUTS" at the top. Below it, "Big TITS" is written in a stylized font, and "Juicy CUTS" is written in a smaller font. A large, bold "49¢" is prominently displayed. At the bottom, the phone number "1-800-332-TITS" is listed, followed by "1-800-332-8400".

WHITE COLLAR & NELLY

White-collar dykes

It's been a long day. Nelly's bitch boss made her stand by the copy machine all day long, making copies of other's licenses and passports for some stupid government record-keeping inspection. And Hannah got groped by some smelly homeless pervert who kept grinding against her on the subway train. It's enough to make a girl cry. But they're both glad to be back home, in each other's arms and between each other's legs. The tension of the day drifts away with each little off ribble, with every dently inserted finger. Nelly and Hannah lick and moan and grunt and sweat and cum, cum, cum until they pass out. They awake to a new day, another long one, for sure. But tonight is not so far away. *
